A note from our pastor

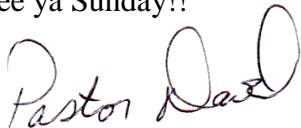

Several years ago, I had the privilege of taking Financial Peace University from the Dave Ramsey group. It was a fantastic, eye-opening few weeks as Dave led us through an excellent series on understanding how budgeting, investing, giving, and saving all work together. I highly recommend that if you have never taken the course, that you sign up for a membership. You can do it online at www.daveramsey.com and get started right away. They charge \$129.99 for a membership that includes your entire household, and gives you access to all kinds of financial tools that will help you become a better budgeter, saver, and giver. They also make it easy to buy a membership for someone else (like your children, for example). The memberships are for an entire year and are well worth it.

However, another option would be to join us beginning March 17th, and we can work through the classes together. On Sunday nights at 6:00pm, we'll be meeting together to watch the newly released (January 2019) videos and then I will lead the discussion on the particulars. It will still require that you purchase a family membership, but if you purchase it in conjunction with our class, you will get \$20 off. This would be a great opportunity to invite family and friends to join the class, since Dave Ramsey is well-known and well respected. Anyone that we invite will receive a special link to the Dave Ramsey website that will give them that \$20 off. Also, if there's someone in the area who goes to the Dave Ramsey website looking for a class, our church will be listed. However, it will cost them the \$129.99, unless they somehow get our link. This has all the makings of a fantastic outreach tool to introduce folks to our wonderful church, and unless the new videos are different, Dave will eventually get to a gospel presentation. But even if he doesn't, I will 😊. Stay tuned for the link to register. I will get it to you as soon as I receive it from them.

Speaking of outreach opportunities, it's time to really start talking up our American Ninja Warrior Outreach Event, coming April 13th from 2:00-6:00pm. Marty has assembled a great team who are working through the logistics to make it a wonderful event. An American Ninja Warrior course will be set up in our field, and visitors (as well as any brave members) will be given the chance to attempt the challenges. As with every event that happens at our church, our main goal is to share the wonderful news that Jesus Christ, and the salvation He offers, is available to all who will surrender to Him, and that He is glorified at Cedar Heights Baptist Church.

These are two wonderful opportunities to get people's attention and let them know about us, and more importantly, about our Savior. Use these events as opportunities to bring up conversations with folks. Who knows, God might use those conversations to bring people into His Kingdom, and you'll get the sheer joy of being His tool! It just doesn't get any better than that!!

See ya Sunday!!

Wednesday Night Study on the Holy Spirit
Concludes with Learning about Spiritual Gifts.
Come Join Us February 6th!

Evangelism

What a great opportunity to share with the hospital staff. I spoke with the attendant on the way in and she prayed to receive Christ.

Teaching

I've done some looking into your illness & I think I can explain what's wrong with you.

Exhortation

You'll be out of here before you know it. Sometimes we just need to stop & let the Lord minister to us.

Giving

I brought you a little something to help with expenses.

Serving

I brought you some soup. Oh, and I picked up your mail, fed your dog, and washed your dishes.

Mercy

It makes my heart hurt that you are feeling so bad. How are you feeling today?

Prophecy

If you had been in church with us instead of being out in the weather Sunday morning, you wouldn't be here.
